1 Sections & Suites

SECTIONS

Your salon section is your personal oasis. We have designed your section to provide maximum comfort during your time with us. Each section is fully equipped with state-of-the-art art-deco chairs, charging ports for all devices, drop down storage. For prices and availability of private suites, please contact a member of staff.

SUITES

The Therapy Suite: A place to relax and unwind while enjoying bespoke shampoo and conditioning treatments that are fully tailored to you.

Our state-of-the-art massage chairs and unique head massage will have all your woes melting away in minutes.

The Makeup Bar: A creative space located at the back of our salon, that houses some of the best make-up professionals in Ireland, led by makeup manager, Dearbhla Keenan. On offer is a vast range of beauty services from full make-up application to brow services.

2 Connectivity

4 Service Upgrades

ABOUT

Whether it's a special treat to yourself or a treat for a loved one, our service upgrades are the best way to go that extra mile with your salon experience.

Upgrades

- **Private Rituals:** A deep cleansing and revitalising hair restoration service using a unique blend of hair treatments.
- **Metal Detox:** The Metal Detox pre-treatment helps to neutralize excess copper inside the fiber and protect it before color, balayage or lightening services. The perfect preparation before any color service.
- **Ola plex:** An add on service which dramatically improves the hair strength, protects from within, and provides immediate results for all hair types.
- **Oribe Treatment:** These custom-blended antidotes are designed to help restore the holistic health of hair, perfecting and protecting from root to tip. Hair is transformed to lustrous, polished perfection, complete with movement and reflective shine for truly transcendent results.
- **Kérastase Fusio Dose:** A bespoke in-salon hair treatment that is applied at the backwash during your appointment immediately transforming it, giving long-lasting results.
